**Matthew Tan**

*Family Portrait*

Matthew's forte lies in his knack for posing his subjects, lighting, and creating fine art in a fun and creative way for his clients. Featured on local Singapore TV in 2008 and 2009, he has won more than 50 national and international awards in both the weddings and portraits categories and was awarded the title of MPA Overseas Wedding Photographer of the Year (Contemporary and Classical Category) five times. Most recently the president of WPAS before this became WPP Network, Matthew is often a judge in competitions and grades photography qualifications. He holds the highest title of fellow in the UK's MPA (Master Photographers Association) and has the title of Hon.FWPPM. (Wedding and Portrait Photographers Malaysia).

Matthew, who has been participating in photography courses and workshops in the US since the 90s, shares his knowledge of the industry in Singapore, Malaysia and the Philippines. He is also a member of a few photography associations in the US, UK, and the local photography club in Singapore. His first certification as a photographer was in the US.

**Derrick Lee**

*Corporate Portrait*

Derrick is one of Singapore's leading portrait photographers. Widely known in the industry for his intimate and evocative portrait shots, his style is to capture moments that are heartfelt, warm, and engaging. Derrick believes that a great portrait can create meaningful memories for years to come. His clients include Singapore's top business leaders, corporate executives, politicians and celebrities, for example President hopeful 2011 Mr Tan Kin Lian, Frasers Hospitality CEO Mr Choe Peng Sum and ManuLife President and CEO Naveed Irshad.

**Chinni Nguyen**

*Newborn Portrait*

Chinni started photography as a hobby photographing pets. She later found her passion in newborn photography and invested her time in learning professional photography. As a mother of two, Chinni understands how important it is not to miss this precious moment. "I'll never regret sacrificing that precious time to have their photos professionally and creatively taken, something that they will remember and treasure for a long time." Chinni not only believes in attaining professionalism and mastery in lighting, angles, but also desires to find a creative approach that helps her work stand out. In her photography, she loves to focus on every little thing in order to bring out the beauty of her subject and the stories behind them.
